

PRINCIPALS, SUPERVISORS &
SCHOOL COUNSELORS CONFERENCE

ENCOURAGING STUDENTS TOWARD STEM & IT CAREERS

Center for Innovation in Engineering & Science Education
at Stevens Institute of Technology

In partnership with

New Jersey Principals and Supervisors Association

New Jersey School Counselor Association

New Jersey Department of Education

Increase your awareness about opportunities in STEM (science, technology, engineering and mathematics) and IT (information technology) fields. This conference will offer specific examples and strategies that illustrate pathways for all students, particularly women and underrepresented groups, to participate in the technical professions, as well as a big picture view of the economic imperative to produce more STEM and IT graduates. Hear from students and successful practitioners in these fields and the academic challenges and rewards of their pursuit. Explore strategies for engaging teachers and students in STEM studies.

Who: Principals, Supervisors and School Counselors

When: March 23, 2010

Time: 8:30 a.m. – 2:45 p.m.

Where: FEA Conference Center, 12 Centre Drive, Monroe Township, NJ

Cost: \$95
